

MARRIAGE and FAMILY

Living the Gospel in Our Lives

Session Three • Wednesday, January 23, 2019

Questions.

1. How does your Christian faith impact your marital relationship?
2. What tools (i.e. scripture, prayer, devotions, life together, worship) do you use to undergird your marital vows?
3. What are the stumbling blocks to employing said tools for purposes of undergirding your established covenant?
4. How might Mountain View Lutheran Church, as a ministry setting, be more helpful in assisting healthy and faith-filled marriages?
5. In the covenant of marriage, even as a secular enterprise, God established the same for community. What about the faith allows you to discern marriage as a communal enterprise?
